2) Now that the establishment of new dispensaries at four places in the Kadra Dt viz Aldur, Attigundi, Balur and Shantaveri has been sanctioned it is a point for consideration whether a dispensary for Lakvally has to be sanctioned. The M. I. Committee consider it a real need. It is not specifically stated. The ways & means for meeting the initial and recurring charges of the dispensary have not been specified tho' it may be presumed that the cost will be met from the Malnad Improvement funds as in the case of other new dispensaries referred to above. 3) Lakavally is the situated midway between Tarikere and Narasimharajapura and in Each of these two places there is a local Fd. dispensary. Now that the Harnary Connects Lakavally with both these places, it is a matter for consideration whether there are not three places in the Malnad which require a dispensary more urgently than Lakavally.
